

# Tow Plane Project

## Working Group

- Kicked off conversation end of 2022,
- Formal project started in February
- Working group established - Iggy, Phil, Sarel, Andy and Gareth
- Main motivator is large costs coming up for CNC
- Full review focusing on cost, safety, performance and a bit of crystal ball gazing

## CNC

- Do we stick with CNC?
- Cashflow analysis from Dave
- If yes, managing the upcoming large cost 'hurdles'
- If no, manage CNC through until we purchase replacement
